Mandt Student Academy
An ROI approach to Mandt System Certification

Unlike many vendors, the Mandt System® does not seek to restrict organizations with active Mandt Certified Instructors from delivering our ‘student level’ proprietary content to individuals or entities outside the ones listed on our Copyright Release form.

Teaching individuals outside your Copyright Agreement form is predicated on fidelity to Mandt standards and the provision of a small intellectual property fee to the Mandt System. We can discuss your opportunity to become a ‘Mandt Student Academy’.

This Mandt System, Inc. program enables you to teach and certify individuals not included on your Copyright Release form through the Mandt Student Academy. When the Mandt System® certification is performed outside of the organization or agency, it is important to ensure adequate insurance coverage. This requires a contract between the two organizations rather than the instructor and the entity requesting student level certification.

A Mandt System® Certified Instructor must contact Kevin Mandt at kevin@mandtsystem.com to request a Mandt Student Academy Agreement. The contracts, one for the instructors’ organization and one for each of the instructors providing the instruction, will be drafted by the Mandt System, Inc. These agreements must be signed and signed copies be in possession by both the organization and the Mandt System, Inc.

Meeting the satisfactory requirements of the Mandt Student Academy allows and confers onto the organization the status of ‘Mandt Student Academy’. This permits the organization to use branding and logos as per Mandt branding guidelines. The status of ‘Mandt Student Academy’ will be valid as long as an active Certified Instructor and agreement requirements are in place.
Requirements & Fees

An intellectual property ‘seat fee’ of $30 per student is due for all students taught from other agencies. The fees include the provision of a student workbook (shipping and handling not included), certificate and event training processing. The fee that the Mandt Student Academy can levy to the students’ purchasing organization cannot exceed $185 per person for a two day class or $92 for a one day class, earning your organization, per student, up to $155 for a one day class and $62 for a two day class. A lesser fee per student per day can be offered but the $30 IP fee to the Mandt System, Inc. is still due.

Mandt Student Academy numbers will need to be shared with the Mandt System office ahead of training and purchase of IP seat fees made to ensure timely delivery of materials and event support from the Mandt System, Inc.

Organizations that already have External Instruction Agreements can be transferred to this new model and are encouraged to contact Kevin Mandt at kevin@mandtsystem.com to discuss their revised Mandt Student Academy.
